

You can help
The Children's Center of Hamden
make the holiday season very special for
our children and youth by becoming a "Star".

A "Star" is anyone who wants to touch the hearts and minds
of these needy boys and girls
during this festive time of year;
individuals, businesses, office groups, churches, civic groups,
clubs or other organizations.

Please help make a difference. Send a contribution to
The Children's Center of Hamden.
The children and staff prepare a "wish list" of
gifts and activities for the holidays.
Our staff will take care of the purchases and planning.

With your help we will raise funds to provide a memorable holiday for all of
our children that will last well beyond the season.
The children in our programs suffer from a variety of problems: emotional
and behavioral disorders; learning disabilities; and physical or sexual abuse.

Be a "Star" by contributing \$100.
Contributions of any amount will be greatly appreciated.

Please consider sending a donation so that the staff can purchase gifts and plan the holiday activities for
the children. You can donate through PayPal on our website or mail a check payable to: The Children's
Center of Hamden, 1400 Whitney Avenue, Hamden, CT 06517.

Also appreciated are gift cards purchased from one of the following stores: TARGET; WALMART;
BEST BUY; BARNES & NOBLE; KOHL'S; SPORTS AUTHORITY; and VISA gift cards.
